Technical Assistance is **FREE** when the MassMutual Center supplies **ALL** Audio/Visual equipment. Clients bringing their own equipment are responsible for set-up, operation, and security of these devices. If assistance is requested, the rates above apply. A MMC A/V technician will be on-site to ensure all MMC equipment is running properly at the start of your event. **In-Room Technicians** monitor MMC audio, lighting, and video equipment during the event upon request; the rates above apply. Consult with your Event Manager to determine if labor charges (in-house/I.A.T.S.E.) will apply.
